A Spiritual Movement is God working through teams of like-hearted disciples, to win, build, and send towards the fulfillment of the Great Commission.

What is the next step?	2) What do we have? How can we build upon what's already happening?	3) What will we do? What concrete next steps will we take to make progress in this area?	4) What do we need? What do we need so that we can actually do these next steps?	What is our direction? What would we like to see in a semester or year?
